

MINCEUR BIO-ACTIVE

Gel Minceur Caféine

100% NATURAL ORIGIN

STEP 1: ACTIVATES/CLEANSSES

ACTION

Lipolytic action

Step 1: This fresh gel with lipolytic natural active caffeine stimulates and accelerates the clearing of fat over the entire body.

APPLICATION

Apply morning and evening using a vigorous massage. Slide and roll your skin between your hands until the product has been completely absorbed. Use for a 1-month treatment.

COMPOSITION

Extract of caffeine – from Green Coffee: Caffeine has lipolytic properties which contribute to eliminating adipocytes.

Extract of Fig Tree bud: This too has a lipolytic activity on adipic tissue.

This extract was tested objectively by a panel of 20 people using an abdominal weight loss study: up to 2 cm less.

Mother tincture of Organic Red Vine: Red vine improves blood circulation (bearing in mind that cellulite is also caused by poor blood circulation).

Mother tincture of Organic Meadowsweet: Meadowsweet is used to prevent water retention. It is an anticellulitic and a lymphotonic.

Organic Aloe Vera: Softener.

Organic Alcohol: Helps absorption of the caffeine.

Presentation

Sale : 200 g tube

STEP 2: TARGET

ACTION

Local Action

This local slimming treatment aims to reinforce the action of the caffeine and acts in synergy for targeted and reinforced action on stubborn areas (buttocks, thighs, hips).

APPLICATION

Use with the Gel Caféine Minceur. Apply this serum to the areas concerned using a circular massage. Its fluid texture is ideal for massages. It leaves the skin feeling soft and supple.

COMPOSITION

Organic Hemp Oil: It provides elasticity and firms the skin thanks to its wealth of Omega 3 and 6 and its vitamin content (A, B1, B2, B6, C, D).

Organic Hazelnut Oil: It offers the skin softness, suppleness and tonicity.

Organic Sage essential oil: It firms and combats cellulite and water retention. It is also lipolytic (elimination of fat). Organic Lemon essential oil: Lemon has firming and stimulating properties.

Extract of Fig Tree bud: Lipolytic activity on adipic tissue.

This extract was tested objectively by a panel of 20 people using an abdominal weight loss study: up to 2 cm less.

Organic Aloe Vera: Softener.

Organic Alcohol: Improves the absorption of the caffeine.

Ingredients: Aqua (Water), Aloe barbadensis leaf extract, caprylic/capric triglyceride, lauryl glucoside (and) polyglyceryl-2 dipolyhydrostearate, Ficus carica (Fig) bud extract* (and) alcohol*, parfum (fragrance), Glycerin (vegetal), glyceryl caprylate, Cannabis sativa (Hemp) seed oil*, Corylus avellana (Hazel) seed oil*, Salvia officinalis (Sage) oil*, Citrus medica limonum (Lemon) peel oil*, tocopherol (Vegetal Vitamin E), xanthan gum, CI 77289, citric acid and ingredients naturally present in essential oils: citral, citronellol, geraniol, limonene, linalool. *Organic ingredient.*
