

. . . an incomparable session of wellbeing & pampering!

Phyt's Cocoon, an indispensable body care range to fight against the evils of modern life: stress, physical and psychological tiredness . . . a total change of environment, a unique atmosphere, a cocoon moment where you can let yourself be captivated by a sensorial environment of COLOURS, SCENTS, MUSIC and SPECIALISED TOUCH, with a choice of either a Relaxing or Energising Treatment.

The treatment utilises aromatherapy, chromo-therapy, music therapy and touch therapy, as well as products specifically designed for the treatment. A body massage treatment that incorporates all the above into either a relaxing or energising ritual.

And while stocks lasts, prolong the pleasure of you professional treatment at home with a FREE TAKE HOME Cocoon product

This is a seasonal treatment for a limited time only
