Retail Therapy Card

Need some serious retail therapy? At aesthetica you'll find a whole range of fabulous beauty and skincare products to choose from, and to make the experience complete, we'll even throw in a great little loyalty card that pampers!

Aesthetica's RETAIL THERAPY CARD - It's totally free! Ask in-salon today for your very own card and start reaping the rewards.

If you're sick of spending good money on your beauty and skincare products and getting little or nothing in return aside from the product, aesthetica's Retail Therapy Card is for you!

It's totally free and every time you spend \$55 or more on our retail products we'll add another stamp, or two or three! That's right - the more you spend, the more stamps you'll receive.

Once you've reached 10 stamps we'll reward you with a gorgeous Gift Voucher to the value of \$100 to use on any pampering service or treatment of your choice AND if you want to give the Gift Voucher to someone special as a gift, you can. It's that simple... great products, great fun and now great rewards!

* Retail Therapy Card stamps apply to aesthetica's full range of beauty and skincare retail products, excluding those items already discounted. Rewards cannot be redeemed for cash and lost or stolen cards can unfortunately not be replaced.
