

At **aesthetica**, Secret Women's Business is one of our favourite Facial Treatments. It is a full Service Facial Treatment packaged with a relaxation massage, from feet to scalp our aim is to relax your whole body and condition your skin

Secret Women's Business

This treatment experience begins with a magnesium foot soak followed by a de-stress leg, back, shoulder and neck massage using dry pressure massage, invigorating brushes and warm oil. A luxurious one hour facial continues using products and equipment chosen to customise the service for your skin type and condition and it includes a scalp and hand massage.... BLISS

One and a half hours of therapy \$165
